**In just 15 minutes,
an abductor and child can
travel up to 20 miles.**

(1:23 PM) 8-year-old Rachel Knudsen is abducted at Willow Park in Fargo. Her mom immediately calls 911

(1:24 PM) The Fargo precinct operator inputs the abduction report into MICA with all information received

(1:24 PM) All officers in the Fargo-Moorhead area receive a ping on their device notifying them of Rachel's abduction. The alert takes less than 3 seconds to deliver

(1:25 PM) Officer Johnson remembers seeing the noted Black Ram truck driving down 1-94 toward Moorhead and enters the lead into MICA

(1:26 PM) Officer Sheryl receives the alert for the lead and realizes shes driving by the suspected vehicle

(1:26 PM) Officer Sheryl continues to follow and sends a MICA alert for assistance. Her live location is now being followed

(1:31 PM) Officer Smith is nearby and strategically approach based on Sheryl's live location and update MICA users that Sheryl has received backup

(1:38 PM) Officer Sheryl makes her approach and arrests the suspect

(1:38 PM) Rachel is comforted by Officer Smith while awaiting mom's arrival
